### COVID-19

As required by Transport Canada order, front-line representatives (including Reservations agents) will ask all travellers specific questions to conduct a health check prior to travel.

Helijet is pleased to participate in the Helicopter Association International COVID Clean Program by taking the COVID Clean Pledge to meet or exceed any applicable federal, state, or municipal public health regulations.

In adhering to the COVID Clean Program, Helijet is continuing to monitor and adjust flight schedules, and has increased sanitizing and physical distancing procedures to include:

- As mandated by Transport Canada, passengers must have a non-medical mask or face-covering to wear for the duration of the flight; face-coverings are also recommended within the terminal & boarding procedure where physical distance is not possible.
- Sanitizing aircraft cabins before each flight, as well as disinfecting high touch areas within the cabin and cockpit.
- Providing a detailed disinfection regime for all aircraft at the end of every day, to ensure no contaminants remain for passengers who board the aircraft next.
- Making hand sanitizer available to all travellers and staff at each terminal.
- Deeper cleaning of terminal facilities, washrooms and offices on a more frequent basis.
- Complimentary food and beverage service at terminals has changed to offer only grab-and-go pre-packaged foods and beverages\*\*.
