COVID-19

As required by Transport Canada, front-line representatives will ask all travellers specific questions related to their recent travel, quarantine requirements, and symptoms to conduct a health check, as well as conducting a temperature check, prior to check-in.

Travellers are to have a removable face covering or non-medical mask to cover their mouth and nose to prevent the inadvertent spread of Covid-19. Travellers must wear their masks at all times during the check-in and boarding process, and for the duration of the flight. As well masks should be worn any time guests are 2 metres or less away from other people, in and out side of the terminal building, or when directed by Helijet team members.

Helijet is pleased to participate in the Helicopter Association International COVID Clean Pledge and World Travel & Tourism Council's Safe Travels program to meet or exceed any applicable federal, provincial or municipal public health regulations.

In adhering to these programs, Helijet is continuing to monitor and adjust flight schedules, and has increased sanitizing, and physical distancing procedures and protocols including:

- Sanitizing aircraft cabins before each flight, as well as disinfecting high touch areas within the cabin, cockpits and terminals.
- Providing a detailed disinfection regime for all aircraft at the end of every day, to ensure no contaminants remain for passengers who board the aircraft next.
- Frequent deeper cleaning of terminal facilities, washrooms and offices.
- Making hand sanitizer, available and encouraging its use, to all passengers.
- Complimentary food and beverage services at terminals has been changed to offer only grab-and-go pre-packaged food, and discontinuing re-using of glasswear.
