

PRESS RELEASE

Helijet appoints David McNamar as Director of Maintenance

Richmond, BC (November 27th, 2019): Helijet International is pleased to announce the appointment of David McNamar as the company's Director of Maintenance.

An aviation professional with more than 30 years' experience in the field of rotary-wing aviation maintenance, McNamar will be responsible for all facets and standards of Helijet's Approved Maintenance Organization. The Director of Maintenance has the responsibility for all the aircraft maintenance activities in the company.

McNamar's experience covers almost every area of field and production maintenance. He has held leadership roles with several helicopter organizations and is presently the Director of Maintenance at Skyline Helicopters in Kelowna.

McNamar is qualified as an Aircraft Maintenance Engineer, Canadian Category M1 & M2, with endorsements on numerous Bell, Eurocopter/Airbus, MD and Leonardo type aircraft models. He has broad experience in both Domestic and International Touring, Avionics, Hydraulic Component Overhaul. McNamar also has a strong appreciation for, and exposure to, Quality Assurance and Safety Management Systems.

About HELIJET

Helijet International is a Canadian-owned company and the world's largest scheduled helicopter airline carrying well over 2.4 million passengers in the past 33 years. In addition to its scheduled helicopter services, Helijet is the major service provider of dedicated medically equipped helicopters to BC Emergency Health Services. Helijet also provides exclusive use helicopters and business turbojet services to world renowned Sport Fishing Resorts, public service and energy companies throughout the West Coast of British Columbia and Pacific North West.
